208 South Jackson, PO Box 307, Auburn, IN, 46706

United Way's vision is to enable people to work together creating a thriving and vibrant community for all.  
United Way's mission is to fight for health, education, and financial stability for every person in our community.

Dear Community Partner,

Our Annual Day of Caring event will take place Friday, June 22, 2018 throughout DeKalb County. The goal of this event is to connect homeowners in need with enthusiastic volunteers ready to help complete projects for the overall benefit of an improved community. Each year our event grows to touch more people and impact more lives. Last year, with the help of our generous sponsors, this event brought together 503 volunteers to complete 53 projects for homeowners and nonprofit agencies - which was an increase from 400 volunteers and 45 projects in 2016!

As a nonprofit organization, we know that for our event to be successful we must turn to strong community leaders like you for financial support. Every dollar raised through sponsorship is used to cover the expenses of projects for the homeowners and resources for our volunteers during the event. Please join us as we help to bridge the gap between families in need and the resources available to help them by sponsoring the 2018 Day of Caring at one of the following levels:

Golden Hammer: \$2,500  
Silver Screwdriver: \$1,000

Bronze Nail: \$500  
Green Thumb: \$250

Please send the enclosed form with your contribution to the **United Way of DeKalb County P.O. Box 307 Auburn, IN 46706** by Friday, May 11<sup>th</sup>. If you wish to put together a team of volunteers to help complete projects during the Day of Caring, or you know of a homeowner in need who could use our services, volunteer and project applications will be available on our website <http://www.unitedwaydekalb.org/dayofcaring> beginning Monday, April 2, 2018.

Day of Caring cannot continue to be a true countywide day of action without the generous support of community partners. Thank you for your time; we look forward to reaching the most people possible and continuing to work together to continue to create a thriving and vibrant community for all.

With warm regards,

Jeff Frigo & Steve Smith  
2018 Day of Caring Co-Chairs
