

ALICE

Asset Limited, Income Constrained, Employed

ALICE gets up each day to go to work, but still faces financial barriers — working jobs that offer no health care, vacation, or paid sick leave. These workers hold jobs that are critical to the success and vitality of our communities, yet they often struggle to afford food, rent, childcare, and transportation, and have little left over for saving and investing.

Early Childhood Education

- Location
- Affordable
- Employee Retention
- Quality

Addiction
