*Designating to the Impact Areas will create lasting change for DeKalb County's ALICE population.

Today, so many of our neighbors are working hard to overcome barriers and get ahead.

Somewhere in our community:

A working parent is looking for a way to make this week's paycheck cover the growing costs of groceries, prescriptions, and housing.

A middle-schooler is struggling to find a way to stay focused in class because she didn't get a nutritious breakfast this morning.

A high school grad is searching for a way to turn his diploma into a good paying job and a promising career. But they're not alone.

Together with our community-serving partners and supporters like you, we can connect people to the opportunities they need to reach their full potential and make DeKalb County a place where everyone can thrive.

No challenge is too big for us to take on when we work together.

Because, United Is The Way to Lasting Local Change.
