United is the way to lasting local change.

Today, so many of our neighbors are working hard to overcome barriers and get ahead.

Somewhere in our community:

A working parent is looking for a way to make this week's paycheck cover the growing costs of groceries, prescriptions, and housing.

A middle-schooler is struggling to find a way to stay focused in class because she didn't get a nutritious breakfast this morning.

A high school grad is searching for a way to turn his diploma into a good paying job and a promising career.

But they're not alone.

Together with our community-serving partners and supporters like you, we can connect people to the opportunities they need to reach their full potential and make DeKalb County a place where everyone can thrive.

No challenge is too big for us to take on when we work together.

Because, United Is The Way.
